PRINT AND MAIL

We will print and mail your 8x11" flyer to thousands of qualified opportunity buyers for just pennies on the dollar! No more worrying about the high cost of postage, printing or the labor involved. We mail only to people who have pre-qualified themselves by responding to our ads placed each month in publications such as *Income Opportunities*, *Cutting Edge Opportunities*, *Money 'N Profits*, *Small Business Opportunities*, *USA Today*, *Opportunity World* and *Money Maker's Monthly*—just to name a few.

Our ads target people who are interested in home business, mail order, MLM, and network marketing opportunities. These people have recently responded within the last 0-45 days and are the most responsive opportunity seekers available anywhere! We also mail to highly selected mail order dealers and MLM heavy hitters! Your flyer will be mailed cooperatively with only a few nonconflicting offers. Our daily mailings produce immediate results, and your satisfaction is absolutely guaranteed. If, for any reason, you are not satisfied, your flyer will be mailed again...for FREE!

2 TYPES OF MAILING LISTS

As you probably know, the most important part of your mailing is the quality of names you mail to. Our names are **opportunity buyers, pre-qualified by ads placed each month** in most of the top MLM and mail order magazines and card decks.

When it comes to quality names, you get what you pay for. Cheap names are cheap for a reason. They are a waste of your hard-earned money and effort. Our names may cost a bit more than others, but we can assure that you will receive the freshest, most responsive leads in the industry.

When placing your order, you will have two lists to choose from: our **0-7 Day Hotline** or our **10-45 Day Platinum Buyers**. The only difference between the two lists is how recently the prospects responded to our ads: within 7 days or within 45 days.

We highly recommend testing both lists to determine which will return the most profitable responses to your offer. If you want to be one of the first to contact each prospect, our 0-7 Day Hotline List is for you. This list often outpools the 10-45 Day Platinum List, however, many Platinum List buyers report excellent results. **Both lists may outpull any other list you'll ever use, so don't worry about making a bad decision.**

We generate thousands of new, **RED-HOT** names each month so there is never any duplicates or undeliverable. Long-time customers write to tell us their offers are consistently pulling 7%; 9% and even 12% response rate using our leads.

0-7 DAY HOTLINE BUYERS

Testing both lists will allow you to find out which is more profitable for your particular offer. Print and Mail will save you money, time and effort, allowing your offer to quickly be seen by literally thousands of prospects through our co-op mailings. Many long-time customers experience profitable results with our lists because there are no other offers included in their mailings. **Again, testing a combination of both lists has proven most effective.**

Issue #177 – September 2016

Greetings from Colleen's Corner!

Lots of people are getting ready for the Autumn with new programs! We are too! Found several good ones to promote and you will find them in this issue. Now is a good time to join so your mailings ready to go!

Our 15th anniversary for this magazine is fast approaching! We are trying to think up a special offer for that issue which is issue #180. Look ahead in the next issue or two to see what we've come up with!

To increase readership, we have advertised to 2 million in weekly papers in 40 major cities this past month. Also we have advertised in Canada via Kijiji.

Recently a customer wrote to a mail order dealer wanting a refund for a program package he ordered. However, he did not return the program package when requesting the refund. That is like going to Sears asking for a refund on a tool you bought and not returning the tool! Remember not everything is refundable. Especially if it has been personalized. Don't read more into an advertisement than is there.

One unnamed person sent me a note warning me to NOT invest much money in the ABM program. Why didn't the person include their name and address? Nonetheless I smiled as I have made more money with ABM than any other program in the last three years. Like any program you have to work it consistently and get good mailing lists.

The priority mail rate is expensive and still it can take over three days to get to us. For one thing, if it has to be signed for our post office has no window service on weekends. If you wonder if it arrived go to www.usps.com and check the tracking number. Still anything put in our mail box after 12:00 p.m. is not picked up until the following day.

A mail order person wrote to me about a networking program I belong to. She said she could not afford to join the program but wanted me to sell her the report it offered as the product!
